**How it works:**

- Top 5 finishes in the classes you chose will be considered for points. *The number of riders that started the race will reflect how many points are given.*
  - o 100% of points for 1<sup>st</sup>
  - o 75% for 2<sup>nd</sup>
  - o 50% for 3<sup>rd</sup>
  - o 25% for 4<sup>th</sup>
  - o 1 point for 5<sup>th</sup>
- (Example: 12 riders started the race; 1<sup>st</sup> = 12 pts., 2<sup>nd</sup> = 9 pts., 3<sup>rd</sup> = 6 pts., 4<sup>th</sup> = 3 pts, 5<sup>th</sup> = 1 pt.)
- The rider with the most points in each category **for that region** will receive the prize for the 2019 season. If you qualified to receive a prize, it is to be claimed at your chosen vendor.

**The fine print:**

- If a class is broken up between EX and AM, the default will go to Expert classes only not to include amateur. Only Expert entries will be counted toward points.
- On double header weekends, both races count toward points. A race series double points weekend does not constitute double points for this program.
- Points from the 2018 calendar year (January 1<sup>st</sup> – December 31<sup>st</sup> 2018) races will be considered for the bounty program.
- You must use Pirelli tires front and rear to have your points allocated for this program.
- The chosen vendor (above) MUST verify your use of Pirelli tires in all of your races or you will be disqualified.
- If you submitted a registration form already but want to add more classes, please submit a new registration form.

\*\* If you have any questions, please ask your local vendor. We will clarify. Good Luck!!\*\*
